**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My husband and I are senior Citizens and chose Sonic instead of AT&T and big cable providers because of price. We still have our home phone and internet and decent television service because of the competitive rates. We would have to go without if not for their pricing. Please keep the internet, phone and tv services within reach of everyone. Competition instead of monopolies .

Sincerely

Joanne Denise Ray
